Gentlemen:

This will acknowledge your recent letter containing signatures of members of the Milwaukee Radio Amateurs' Club recommending that the Department of Commerce publish call book supplements and this will be presented along with other similar letters to the Department of Commerce in the near future.

A very large response has come in, in answer to our inquiry in QST and will certainly go far toward helping having a strong influence on the Department.

Yours sincerely,

C. A. Service, Jr.,
Assistant Secretary.
